

# Office Products **BIG BOX** **CONSOLIDATION** Affects **YOU!**

The recent merger of super giants Office Depot and OfficeMax, and now the talk of Staples and Office Depot merging has reduced the number of choices for office product procurement. This will change the future of the office products industry forever.

Read what **BloombergBusiness** has to say ([more info](#))

## WHAT TO LOOK OUT FOR

- Limited choices affecting your procurement processes
- Lack of specialization & personalization
- Pricing & procedure changes
- Service & technology disruption

## INDEPENDENCE AT LAST

- A practical and proven choice
- Community based dealers to serve you
- Office product expertise and focus
- Proven success working with marquis customers of all complexities across the US

**-VS-**

Amazingly advanced. **Uniquely local.**<sup>™</sup>

A national force of independent dealers providing a seamless buying experience to thousands of commercial customers. Independent Stationers is a practical and proven alternative to BIG BOX office product procurement.
